

# New York Piano-Organ Duo

---

## Quotes

"We were expecting wonderful – and we got it... both were clearly 'in the zone' when they performed. Everyone marveled at the colors they produced and the complexity of the piano/organ pieces – particularly their ability to read one another's minds. It was scary in a good way!"

*Judy Evans, Presenter  
Hyde Park United Methodist Church, Cincinnati, OH*

"The New York Piano-Organ Duo offered a stellar recital at St. Mary's on 14 October 2007. They have proven themselves most capable of negotiating the unique challenges posed by the piano-organ format, particularly those of balance, registration, and articulation. Several weeks after the recital, I continue to receive compliments from members of the audience who were deeply impressed by their artistry, their technique, and the spirit of collaboration and conviviality which was so evident in their performance."

*David Hughes, Presenter  
St. Mary Church, Norwalk, CT*

"It was a wonderful program, well-planned and artistically executed. Our main measurement of a successful Noonday concert: smiles on the faces of our audience as they leave the church."

*Michael Chang, Presenter  
Downtown Music at Grace, White Plains, NY*
